	GEN SILVER SKU# GEN-SIL	30x30cm (12"x12")	4 Pcs/Box 3.44 Sqft/Box 23 Lbs/Box 45 Boxes/Pallet 154.80 Sqft/Pallet

TYPE	Resin
APPLICATION	Indoors Wall/Shower Wall
DESCRIPTION*	Gen is a modular wall covering system which can be pieced together to create different patterns, with a dozen distinct designs offering a variety of shapes and visual games. This is not a wall covering, its a way off covering walls.
PRODUCT INSTALLATION	It is recommended for the product to be installed by a qualified professional. We do not recommend the use of adhesives based on epoxy resin. Read carefully instructions set by the manufacturer of the adhesive used.
PRODUCT CARE	For initial and daily cleaning the use of a damp cloth and mild soap is recommended. Avoid using abrasive and acidic cleaning products.
*NOTE	To achieve the visual aspect of the product and given the artisanal procedure for production and the natural stone used, pieces can represent variation in size, texture, design and shade. This is done deliberately to give the product a unique personality and unrepeatable characteristics.
